A SHORT HISTORY

Eastern Woodturners Group started 17TH February 1987. It immediately incorporated with the Sydney Woodturners Guild which was 3 years old at that time.

The group was formed under Jim Dorbis and met at his premises in Darley Road, Randwick. Later under Mr Graham Tilley, the group decided to meet at various members houses.

Life Membership of Eastern Region was granted to Graham Tilley and Sven Wallin in December 2012.

The group moved into new permanent premises at 169 - 171 Bilga Crescent, Malabar on 20th December 2014.

Since moving into our new premises the group has expanded and now includes male and female members. All are welcome at the shed. The shed is actually owned by the Kooloora Soldiers Settlement Centre and we work closely with them for everyone's benefit.

MEETING DAY: The group meets on the first Sunday of each month from 1000 to 1400. These hours can be extended if the group decides to.

3. Members using the machines when there is no promulgated group meeting going on understand that they are not covered by the Eastern Region Woodturners insurance policy. Any injury will not be held to be the fault of Eastern Region Woodturners.
